

Everlasting Jesus

We trust You in this wilderness

When everyone around us feels afraid

I know You're with us

Kingdoms they may rise and fall

The mountains shake, the oceans fade away

But you're standing tall

Even though we're walking through the valley

We will keep our eyes upon the One Who holds it all

Everlasting Jesus

Everlasting Jesus

You're taking care of Your people

Everlasting Jesus

Everlasting Jesus

You're taking care of Your people

We trust that you are God and King

Yesterday, today, you're still the same

And you'll always be

We're standing on Your living Word

In days like these your promises are sure

And our blessed hope secured
